COPPER CLOCK BUILDING OWNERS ASSOCIATION
TO ENACT RESPONSIBLE GOVERNANCE POLICIES**

Copper Clock Building Owners Association, a Colorado nonprofit corporation (the "Association"), for the purpose of complying with C.R.S. §38-33.3-209.5, hereby adopts the following responsible governance policies. Unless otherwise defined in these policies, terms defined in the Condominium Declaration for Copper Clock Building ("Declaration"), the Association's Articles of Incorporation ("Articles"), the Association's Bylaws ("Bylaws"), and Rules and Regulations ("Rules and Regulations") shall have the same meaning herein. The Declaration, Articles, Bylaws, Rules and Regulations and these Policies shall hereafter be collectively referred to as the "Governing Documents."

A. Procedures for the Adoption and Amendment of Policies, Procedures and Rules.

Under Article 3, Section 3.2(e) of the Articles, the Executive Board (the "Board") shall have the authority and power to make, amend and enforce Policies and Rules and Regulations with regard to the management, use, occupancy, appearance, operation, maintenance, repair and replacement of the assets of the Association and Common Elements, and with regard to the use and occupancy of the Units and Common Elements. Article 2, Section 2.2(b) of the Bylaws provides, among other things, that the Board shall have the power and authority to make and amend policies, rules and regulation, provision and resolutions as may be necessary, convenient or proper for the management and operation of the Association, the management, operation and use or occupancy of the Condominium, the Units, the Common Elements and all real and personal property owned or leased by the Association for common use, including (without limitation) the right, power and authority to establish penalties for the infraction thereof and to assess fines in favor of the Association for specific violations, each such fine to be a special assessment against the Unit of the Owner who or whose guests, invitees, agents or tenants committed the violation. Furthermore, Section 7(g) of the Declaration states that each member of the Association and his guests, invitees, tenants and employees shall be bound by and shall comply with the Policies and Rules and Regulations of the Association duly made and adopted and Section 7(b) of the Declaration states that the Association shall have all of the power, authority and duties permitted pursuant to the Act necessary and property to manage the business and affairs of the Condominium.

In accordance with the above referenced authority, and for the purpose of adopting a standard procedure to be used when adopting policies, rules, regulations and guidelines (hereafter "Policies" or "Policy"), the Association hereby adopts the following procedures to be followed in adopting Policies of the Association:

1. The Board shall consider the following in drafting any Policy:
 - (a) whether the Governing Documents or Colorado law grants the Board the authority to adopt the proposed Policy;

(b) the need for the Policy based on the scope and importance of the issue and whether the Governing Documents currently address the issue adequately; and

(c) the immediate and long-term impact of the Policy.

2. Notice of any proposed Policy shall be posted on the Association's website or sent via First Class mail or email to each Owner. Owners shall be allowed at least thirty (30) days from the earlier of mailing, e-mailing, or posting on the Association's website to provide comments to the Board regarding the proposed Policy. After the thirty (30) day period for Owner's comment has elapsed, the Board may adopt the proposed Policy.
3. The Board may forego the notice and opportunity to comment in the event the Board determines in its sole discretion that providing notice and opportunity to comment is not practical given the emergency nature of such Policy.
4. After adoption of any Policy, a copy of the Policy or notice of the Policy, including the effective date, shall be provided to all Owners by any reasonable method as determined in the sole discretion of the Board, including but not limited to posting on the Association's website. A copy of the Policy shall also be placed in the binder containing the records and documents of the Association, which shall be available for inspection and copying pursuant to the Board's policy regarding inspection and copying of documents.

(a) the material facts as to the Director's relationship or interest as to the conflicting interest transaction are disclosed or are known to the Board or the committee, and Board or committee in good faith authorizes, approves, or ratifies the conflicting interest transaction by the affirmative vote of a majority of the disinterested Directors, even though the disinterested Directors are less than a quorum; or

C. Assessment Collection Policy

The Owner of each Unit shall pay the Owner's share of the Common Expenses allocated to such Unit as general assessments and the full amount of any special assessments and other amounts assessed against such Owner's Unit.

The Association shall send notices of general (regular) and special Common Expense assessments and other charges via invoices. All invoices are due and payable on the date or dates specified in the invoice, or if payment date(s) are not specified, within thirty (30) days after the date of the invoice. Assessments or other charges not paid within ten (10) days after the due date shall be considered past due and delinquent and the Association may assess a late payment fee of \$50.00 and interest on the past due amount from the date due until paid at a rate of twenty-one percent (21%) per annum pursuant to Article 3.2(d) of the Articles, Article 2, Section 2.2(k) of the Bylaws and Section 9(h) of the Declaration. 3. After any assessment or other charge becomes delinquent, the Association may refer the matter to the Association's attorney who may file a lawsuit against the Owner or institute a foreclosure action against the Owner's Unit to collect all amounts due to the Association. The cost of any lawsuit and/or foreclosure action shall include the costs of collection, including attorney fees. Section 9(a) of the Declaration provides that the Association may assess the Owners for payment of the Common Expenses, and also in order to fund and contribute to any reserves deemed appropriate by the Board including, without limitation, a capital reserve for repairs, maintenance, replacement and acquisition of Association property and Common Elements ("Capital Reserve Fund") and an operating reserve to meet the unanticipated common expenses ("Operating Reserve"). Additionally, Article 2, Section 2.2(c) of the Bylaws authorizes the Board to create any reserve required by the Declaration or deemed appropriate by the Board, including (without limitation) capital reserve funds for repairs, maintenance, replacement and acquisition of Association property and Common Elements and operating reserves to meet unanticipated Common Expenses and to permit payment of Common Expenses in advance of receipt of assessments. The Capital Reserve Fund, Operating Reserve, and any other separate fund or account created or established by the Board pursuant to the above-referenced authority are hereafter referred to as the "Reserve Accounts."

When investing Association reserve funds, board members are held to the standards of care set out in §7-128-401 of the Colorado Revised Nonprofit Corporation Act. These require board members to discharge their duties in good faith, with the care an ordinarily prudent person would exercise under similar circumstances, and in the best interests of the Association.

Special meetings of the Owners may be called by the President, by a majority of the Board, or by written request of Owners having at least twenty percent (20%) of the votes in the Association.
2. Notice. Notice of Owner meetings shall be hand delivered or sent prepaid by US Mail at least ten (10) days prior to but not more than fifty (50) days in advance of any meeting of the Owners or as required by C.R.S. §38-33.3-308, as amended. Also, at the discretion of the Board or upon the request of twenty percent (20%) of Owners present at a meeting or represented by proxy, if a quorum has been achieved, a vote on any matter affecting the common interest community on which all Owners are entitled to vote shall be by secret ballot. The secret ballot shall contain no identifying information concerning the ballot holder. The proxy shall be kept and retained by the Association.

(b) All votes, other than those taken by secret ballot, shall be taken in such method as determined by the Board and pursuant to the Bylaws, including by hand, voice or by ballot, unless otherwise required by law.

(c) Written ballots, including secret ballots, shall be counted either by (1) a neutral third party or (2) a committee of volunteers. Such volunteers shall be Owners who are selected or appointed at an open meeting, in a fair manner, by the chair of the Board or another person presiding during that portion of the meeting. The volunteers shall not be Board members, and, in the case of a contested election for a Board position, shall not be candidates. The results of any vote by secret ballot shall be reported without reference to names, addresses or other identifying information.

4. Proxies. Votes allocated to an Owner's Unit may be cast pursuant to a proxy duly executed by that Owner. A proxy shall not be valid if obtained through fraud or misrepresentation. Unless otherwise provided in the Declaration, Bylaws, Articles or Rules and Regulations of the Association, appointment of proxies may be made substantially as provided in C.R.S. §7-127-203. All proxies shall be reviewed by the Association's secretary as to the validity of the signature, signatory's authority to sign for the Owner, authority of the Owner to vote, conflicting proxies and expiration of the proxy.
5. Open Meetings. All regular and special meetings of the Association and Board, or any committee thereof, shall be open to attendance to all Owners of the Association or to any person designated by an Owner in writing as the Owner's representative. All Owners or designated representatives shall be permitted to attend, listen and speak at an appropriate time during the deliberations and proceedings. Owners who desire to speak are requested to notify the Association office in advance of the meeting, or on the meeting sign-in sheet, so the Board can plan the agenda accordingly. Owners will be recognized to speak at the appropriate point on the agenda; either during discussion of an agenda item or, for items not on the agenda, during open forum. Owners who have not signed up to address an item will be allowed to speak at the end of the meeting, time permitting. The President or acting chair shall, to the best of his/her ability, allocate time to each Owner for comment so as to allow as many Owners as possible to speak.
6. Meeting Sign-in. In order to manage the meeting effectively, Owners are asked to list any item(s) they wish to address when they sign-in at the meeting. The Owners' sign-in sheet will be available at the meeting and include: name, address, and any items they wish to address.
7. Open Forum. The agenda for all meetings shall follow the order of business determined by the Board, which shall include an Owner open forum during which any Owner who wishes to speak will have the opportunity to do so, subject to the provisions of this Policy. The Board shall have the right to determine the length of time of the open forum. The open forum should be used by Owners to speak about items that are not on the agenda.

8. Agenda Items. During the discussion of an agenda item, the President or acting chair will recognize Owners who have signed-up to address that item. The Board may place reasonable time restrictions on those persons speaking during the discussion and shall provide for a reasonable number of persons to speak on each side of an issue.
9. Owner's Right to Speak Before Board Action. The Board shall permit Owners to speak before the Board takes formal action on any item under discussion, in addition to any other opportunities to speak. The Board may place reasonable time restrictions on those persons speaking during the meeting and shall provide for a reasonable number of persons to speak on each side of an issue. If more than one person desires to address an issue and there are opposing views, the Board shall provide for a reasonable number of persons to speak on each side of the issue.
10. Additional Owner Input. At the end of the meeting, at the Board's discretion, Owners who did not sign up to speak may be given the opportunity to address items that were discussed at the meeting.
11. Time Limit to Speak; Protocol. The President or acting chair of the meeting may place reasonable limitation upon the time given to each Owner seeking to comment, to allow sufficient time for as many Owners as possible to comment within the time permitted. Unless otherwise determined by the President or acting chair, the time limit will be three (3) minutes per Owner. Owners should refrain from repeating other Owner's comments. Owners will only be allowed to speak one (1) time per agenda item.
12. Extended Discussion. If it becomes evident that discussion of a particular issue will exceed the time allocated on the agenda, the Board may schedule a special session to further address the issue. Time will not be taken during the meeting to repeat information previously discussed. If an Owner requires history or other background information on a complex topic that has been previously discussed, an Association representative will contact the Owner after the meeting. Owners requesting additional information on a topic shall leave a name, phone number and/or email address with a Board member.
13. Conduct of Participants. No Owner is entitled to speak until recognized by the President or acting chair. Owners will be asked to identify themselves by their name, address and Unit number. There shall be no interruptions of anyone who has been recognized by the chair, except by the chair. All Owners and/or Owner's delegates should avoid side conversations. Specific time limits set for speakers shall be strictly observed. Personal attacks, whether physical or verbal, and offensive language will not be tolerated. All comments are to be directed to the chair and not to other individual participants. All comments are to be restricted to the agenda items being discussed. Meeting participants must behave courteously and be respectful to others.
14. Curtailment of Member Conduct. Should the President or acting chair determine that any Owner has spoken for the allocated amount of time or longer, or determine that the Owner is in violation of the provisions of this Policy, the President or acting chair shall

have the authority to instruct that Owner to yield the floor, and that Owner will be obligated to comply with the President's or acting chair's instruction.

15. Disruptive or Unruly Behavior. If an Owner refuses to stop talking after his/her allotted time has ended, or otherwise disrupts the meeting, or is otherwise in violation of the provisions of this Policy, the following procedure will be followed:

(a) The President or acting chair will issue an oral warning that if the Owner continues to speak, disrupt the meeting, or otherwise act in violation of the provisions of this Policy than that person will be asked to leave the meeting.

(b) If the Owner continues to speak, disrupt the meeting, or otherwise act in violation of the provisions of this Policy, than the President or acting chair will call a recess and have the Owner escorted out of the meeting. The meeting will than resume as normal.

16. Executive or Closed Door Sessions. Notwithstanding the foregoing, the Board or a committee thereof may hold an executive or closed door session and may restrict attendance to Board members and other persons specified by the Board; provided that any such executive or closed door session may only be held in accordance with the provisions and requirements of C.R.S. §38-33.3-308(4), as amended, or other applicable laws. Prior to the time the members of the Board convene in executive session, the President or acting chair shall announce the general matter of discussion as enumerated in paragraphs (a) to (f) above. No rule or regulation of the Board shall be adopted during the executive session. A rule or regulation may be adopted only during a regular or special meeting or after the Board goes back into regular session following an executive session.

G. Policy and Procedures for the Enforcement of Covenants and Rules and Regulations.

Pursuant to Article 3, Section 3.1(c) of the Articles, Article 5 of the Bylaws, Section 7(g) of the Declaration and other provisions of the Governing Documents and applicable law, the Association, through its Board, shall have the power and the duty to adopt Policies and Rules and Regulations, hear and make decisions regarding violations and written complaints filed with the Board and impose fines or other sanctions for the enforcement of the Governing Documents.

The Board may determine enforcement action on a case by case basis and take other actions as it may deem necessary and appropriate to ensure compliance with the Governing Documents. These enforcement provisions may be in addition to other specific provisions outlined in the Governing Documents, and the Association is not required to follow these enforcement provisions before seeking such other remedies. The Association may choose a legal remedy or seek assistance from other enforcement authorities, such as police, fire, or animal control, as it deems appropriate.

The following procedures shall be followed when the Association enforces the Governing Documents as a result of complaints regarding Owners or occupants made to the Board by an Owner, occupant or management company:

1. Complaint. All complaints, whether by an Owner, occupant or by the management company, shall be in writing and submitted to the Board. The complaint shall state the specific provision(s) of the Governing Documents alleged to have been violated and as many specifics as are available as to the date, time, location and persons involved (“Respondent(s)”). The complaint shall also state the name of the complainant.
2. Investigation. Upon receipt of a complaint, the Board shall determine whether the allegations in the complaint are sufficient to constitute a violation of the Governing Documents and whether action by the Association is warranted. The Board may, in its sole discretion appoint an individual or committee to investigate the matter.
3. Association Action. If the Board determines that the allegations in the complaint are sufficient to constitute a violation of the Governing Documents and that action is warranted, the Board shall send a notice (“Demand for Abatement”) to the Respondent, by certified mail, return receipt requested addressed to the mailing address of the Respondent of file in the records of the Association at the time of such mailing. The Demand for Abatement shall advise the Respondent of (1) the alleged violation, (2) the action required to abate the violation, and (3) a time period of not less than fourteen (14) days during which the violation may be abated without further sanction, if such violation is a continuing one, or a statement that any additional similar violations may result in the imposition of a sanction after notice and hearing, if the violation is not continuing. This subsection 3 shall also apply to any complaint(s) initiated by the Board.
4. Notice of Hearing. If the Respondent does not comply with the Demand for Abatement, within the time allotted by the Demand for Abatement or if the same violation occurs

within eighteen (18) months from the date of the Demand for Abatement, the Board shall mail the Respondent a written notice of hearing ("Notice of Hearing") to be held by the Board. The Notice of hearing shall contain (1) the nature of the alleged violation, (2) the time and place of the hearing, which time shall not be less than ten (10) days from the date of the Notice of Hearing, (3) an invitation to attend the hearing and produce statements, evidence and witnesses on Respondent's behalf, or provide a written response prior to the date of hearing, and (4) the proposed sanction to be imposed.

5. Hearing. The hearing shall be held pursuant to the Notice of Hearing affording the Respondent a reasonable opportunity to be heard. Prior to imposing any sanction, proof that the Notice of Hearing was duly given to the Respondent shall be included in the minutes of the hearing. Such proof shall be deemed adequate if a copy of the Notice of Hearing, together with a statement of the date and manner of delivery, is entered by the officer, director or agent who delivered such notice. The notice requirement shall be deemed satisfied if the Respondent appears at the hearing.

The Board may: (a) exercise its discretion as to the specific manner in which a hearing shall be conducted, (b) question witnesses and review evidence and (c) act as it may deem appropriate or desirable to permit the Board to reach a just decision. Each hearing shall be open to attendance by all members of the Association.

6. Decision. If the Respondent appears at the hearing or provides a written response, after all testimony and other evidence has been presented to the Board at a hearing, the Board shall render its decision(s), taking into consideration all of the relevant facts and circumstances. The decision of the Board shall be final and shall be effective on the date specified by the Board. If the Board does not inform the Respondent of its decision at the time of the hearing, the Board will provide a written decision to the Respondent's address of record, via first class mail, within twenty (20) days after the hearing. The minutes of the hearing shall contain a written statement of the results of the hearing and sanction, if any, imposed.

7. Enforcement, Attorney's Fees and Fines/Sanctions. The provisions of this Policy shall not limit, or be a condition precedent to, the Association's right to enforce the Association's Governing Documents by any means available, including but not limited to, commencement of a lawsuit to force compliance or seeking injunctive relief or damages. The Association shall be entitled to reimbursement of all reasonable attorneys' fees and cost incurred by the Association in connection with any enforcement action, including any proceeding under this policy. However, if at the conclusion of any proceeding between the Association and an Owner, the Owner is the prevailing party, then the Owner shall be entitled to an award of attorney's fees and the Association cannot allocate any portion of its attorney's fees and costs to that Owner. If a violation involves damages to Association property, the violator shall pay the cost of repair or replacement. The procedures set forth in this policy shall not be necessary in order to impose any sanction or penalty for nonpayment of a delinquent assessment.

The Board hereby adopts the following fine schedule for all violations or infractions of any rule or regulation, or any provision of the Declaration or any other applicable Governing Document:

First Violation	Warning Letter
Second Violation (of same rule or provision of the Declaration)	\$100.00
Third and subsequent violations (of same rule or provision of the Declaration)	\$300.00

Where the violation or infraction is a continuing one, the continuation thereof for each day shall be deemed a separate and distinct violation and infraction resulting in a separate fine of \$100.00, commencing on the date of commencement of such violation and increasing to \$300.00 per day if such violation or infraction does not cease within ten (10) days following commencement. The Association shall promptly notify the Owner of a Unit in writing of the assessment of any fine, and such assessment shall be promptly paid by such Owner. The Association shall have a lien upon the Unit of the Owner who, or whose tenants, guests or invitees, violated any such Rule or Regulation or provision of the Declaration, Bylaws, Articles, or any other applicable Governing Document, to secure payment of fines assessed to such Unit, and the Association may foreclose such lien, all in the manner as described in the Governing Documents and/or the Association's Collection Policy.

8. Violations of Offenses that Constitute a Present Danger. If, in its sole discretion, the Board deems that any violation is or may be an immediate or substantial threat to the health, safety or welfare of the community, Project or an individual, the Board may impose any appropriate sanction as necessary to abate the threat to health, safety or welfare of the community, Project or individual without prior compliance with Sections 1 through 7 above.
9. Business Judgment Rule. The decision of the Board to pursue enforcement action in any particular case shall be left to the Board's discretion, subject to the duty to exercise its business judgment, and not to be arbitrary or capricious in taking enforcement action. Without limiting the generality of the foregoing, the Board may determine that, under the circumstances of a particular case: (i) the Association's position is not strong enough to justify taking any or further actions; (ii) the covenant, rule, regulation or restriction being enforced is, or is likely to be construed as, inconsistent with applicable law; (iii) although a technical violation may exist or may have occurred, it is not of such a material nature as to be objectionable to a reasonable person or to justify expending the Association's resources; or (iv) that it is not in the Association's best interest, based on hardship, expense or other reasonable criteria, to pursue the enforcement action.

10. No Waiver. Failure by the Board to enforce any covenant, restriction, rule or regulation, or any other provision of any of the Governing Documents shall in no event be deemed a waiver of the right to do so thereafter or preclude the Association from enforcing any other covenant, restriction, rule or regulation or provision of the Governing Documents.
11. Owner's Right to Enforcement. Action taken by the Association in accordance with this Policy, or a decision to not take action, shall not affect an Owner's right, if any, to bring his own enforcement action under the Association's Governing Documents and/or any applicable law.

H. Policy and Procedures for Addressing Disputes Arising Between the Association and Owners.

The Association for the purpose of (i) encouraging the Association and Owners to work together in an attempt to resolve disputes without litigation, (ii) facilitating the prompt resolution of such disputes in a manner that respects and builds upon the relationship between the Association and Owners, and (iii) complying with C.R.S. §38-33.3-124, hereby adopts the following policy setting forth the Association's procedures for addressing disputes arising between the Association and the Owners ("ADR Policy").

Unless otherwise defined in these responsible governance Policies, terms defined in the Governing Documents, and the Dispute Resolution Act, C.R.S. §13-22-301 *et seq.* ("Dispute Resolution Act"), shall have the same meaning herein.

1. General Policy. It is the general policy of the Association to encourage the use of mediation as an Alternative Dispute Resolution ("ADR") procedure to resolve disputes involving the Association and an Owner.
2. Negotiation. Unless either party determines that a meeting between them would serve no useful purpose, the parties to any dispute involving the Association and an Owner shall first make a reasonable effort to meet in person and confer for the purpose of resolving the dispute by good faith negotiation.
3. Mediation. Pursuant to C.R.S. §38-33.3-124, any controversy between the Association and an Owner arising out of the provisions of the Colorado Common Interest Ownership Act may be submitted to mediation by either party to the controversy prior to the commencement of any legal proceedings. Any such mediation shall be subject to the applicable provisions of the Dispute Resolution Act and C.R.S. §38-33.3-124. In addition to the foregoing:
 - (a) Subject to the limitations set forth in this policy, mediation shall be required if any party to the dispute requests mediation by giving notice to the other party at least fifteen (15) days prior to the commencement of litigation.
 - (b) Mediation shall not be required in connection with disputes involving the collection of assessments by the Association, including foreclosure of the

Association's lien or disputes involving the disapproval of any plans or specifications by the Board or the Association's architectural control committee, if any.

- (c) Mediation shall not be required if time constraints in resolving the dispute, such as the expiration of a statute of limitations, prevent accomplishing proper mediation.
- (e) Either party to the mediation may terminate the mediation process without prejudice.
- (f) Mediation shall be conducted through a mediator who is familiar with governance of Colorado common interest community associations or is otherwise acceptable to the parties

4. Selection of Mediator. If the parties to the mediation cannot agree on a mediator within fifteen (15) days of the request for mediation, there shall be no obligation to mediate.
5. Costs. All costs associated with mediation, including, but not limited to, filing costs, and the mediator's fees, shall be shared equally by the parties to the dispute unless otherwise agreed by the parties. Each party shall be responsible for their own attorney fees.
6. Deviations. The Association may deviate from the procedures set forth in this ADR Policy if in the sole discretion of the Board such deviation is reasonable under the circumstances.
7. Amendment. This ADR Policy supersedes and replaces any prior policy regarding ADR and may be amended from time to time by the Executive Board.
